

USING CESAR E. CHAVEZ'S NAME, VOICE, LIKENESS, OR WRITINGS IN PUBLICATIONS, FILMS, VIDEO, OR OTHER PROJECTS.

Thank you for your interest in the life, work, and ideals of Cesar E. Chavez. The Cesar Chavez Foundation is a 501(c)(3) nonprofit organization established by Cesar's family to foster the principles of Cesar E. Chavez. As the authorized and exclusive agent on behalf of the family of Cesar E. Chavez, the Foundation handles the many requests to use Cesar's name, voice, likeness, and writings. The Foundation and Chavez family encourage documentaries and educational materials commemorating Cesar and the principals for which he stood. The Foundation requires that those materials enhance public education and awareness about the legacy and values of Cesar. The Foundation also requires a license agreement for use of Cesar's name, voice, likeness, or writings. The amount of the licensing fee will be determined based on the nature of the project and reasonable licensing standards.

Every day, we receive many requests to use Cesar's name, voice, likeness, and/or writings in a wide variety of forums and media. We have developed this form to make it easier and faster to communicate with you about your proposal. Where a question doesn't apply to your project, please write "N/A." Feel free to attach additional sheets, if necessary, and any brochures or other materials that will help us better understand your project. **The Foundation cannot process or review your request or proposal until this form has been completed and submitted to our office.**

While the Foundation has the rights to authorize reproduction of some family and other photos, the Foundation is not a photo clearinghouse. Generally, you need to get publicity rights - permission to use Cesar's name, voice, likeness, and writings - from us first, and then get permission to reproduce a specific photo or illustration from the person who owns the copyrights therein.
